[Box Tops for Education](#) -- For each Box Tops 4 Education **coupon** you clip and turn in to the office, TCS receives 10 cents. The Box Tops logo can be found on hundreds of participating brands from diapers to frozen vegetables to disposable bags. And if you shop online at the Box Tops marketplace, a portion of every qualifying purchase (up to 22%) is donated to our school at no extra cost to you. Participating online stores include GapKids, Pottery Barn, Hotels.com, and Lands' End. Drop off your Box Tops in the school office or in the marked container in the school's mail room, across the hall from the office.

-- Dillons grocery store merchandise cards are available for purchase for \$20, \$50 and \$100 each in the school office. The cards may be used at any Dillon's store for merchandise including prescriptions and gas. For every card you buy, Topeka Collegiate receives a six percent rebate. For every \$1,000 of Dillons cards we sell, the school receives \$60, for example. The 6% rebate will go in to the Eagles Flight Fund, which will be used to support our school's operating budget. Cards may be purchased in the office.

The Dillons card is like cash. It buys a full \$20 worth of groceries or gas, but cannot be replaced if it is lost and is not reloadable.

-- HyVee grocery stores are available for purchase \$20, \$50, and \$100 each in the school office. Like the Dillons cards, Topeka Collegiate receives 6% of all sales. Cards may be purchased in the office.
