Paper

Calculator

The calculator required for all math classes is either the TI-84 Plus, TI-84 Plus Silver or TI-84 Plus C or CE graphing calculator. (The TI-84 Plus C and CE have a plug-in charger which often needs re-charged and therefore, we do not recommend this unless students will be diligent about keeping it charged – like a cell phone). Please purchase an extra set of four (4) AAA batteries unless you purchase the Plus C. Please save the “Points” cutout (30-40 points) from the package and turn in to your Mathematics teacher. The points are used to purchase items for the classroom.

Notebook

One college ruled spiral notebook

Pencils and Pens

1 year supply of #2 pencils and 1 year supply of highlighters

1 year supply of blue, black and red ink pens for all classes

Black Sharpie Permanent Ultra-Fine Point Marker Multipack, to be turned in to the art teacher. Don’t need colors or other styles of Sharpie, or Sharpie Pens. The original black Sharpie Permanent Ultra-Fine Marker is what is needed.
