

A familiar face will be joining Topeka Collegiate full-time. Ariel Garrett, after-careprovider and After-School Adventures instructor, has accepted the position of preschool teaching assistant.

Miss Garrett recently earned her bachelor's degree from the University of Kansas where she majored in psychology.

In addition to working with our youngest students, she will also assume the role of Summer Adventures director. She will take over for Ms. Van Aalst in July to learn the ropes. Miss Garrett will begin training with Ms. Van Aalst and Mr. Park in June to ensure a smooth transition for all of our Summer Adventures campers.
