General Information

Instructors

Instructors in our Summer Adventures program are devoted to making the summer fun and engaging for our participants. Our instructors and teaching assistants have been carefully chosen to provide the highest quality instruction and educational enrichment for students of all ages.

Camp Location

Most summer camps will be held on the Topeka Collegiate School campus, 2200 SW Eveningside Drive. However, some camps will be held off campus, so please read this information carefully to ensure that your child will be at the right location.

Registration

A registration form is included in this brochure. Please complete one form for each child. You may copy the enrollment form for additional students, or additional forms are available at the school. Please bring the completed form(s) to the school's main office, or mail it to: Topeka Collegiate Summer Adventures, 2200 SW Eveningside Drive, Topeka, KS 66614.

There is no deadline for registration; however, there is a maximum number of students that can be accommodated in each camp. Classes will be filled on a first-come, first-served basis. When the maximum number of students has enrolled, the camp will be closed. Enrolled campers will be contacted by email the week before camp.

Health Assessment

In addition to filling out your child's registration form, please fill out a *health history* form and a *medical release* form for each child. These forms are required for all enrichment camps and available on the website.

Deposits

To secure a student's enrollment, **a non-refundable deposit of \$25 for each camp must be included with the registration form.** The deposit will be applied to the cost of the camp.

Fees

All camps must be paid in full on or before the first day of camp. Fees paid in full, in advance, make registration and check-in each week much quicker. Money orders and checks should be made payable to TCS Summer Adventures.

Extended Care- Before and After-care are the perfect solution for busy families whose work schedules do not allow for drop-off and pick-up when a camp begins or ends. Before care is offered from 7:30-9:00; after-care is offered from 3:30-5:30. The cost is \$5/ hour, which is billed in 15 minute increments. After-care ends promptly at 5:30. A \$1/minute late charge will be assessed beginning at 5:30.

Attendance

Attendance will be taken each day. Please call Summer Adventures at 228-0490 to report an absence or late arrival.

Cancellations

TCS reserves the right to cancel a class at any time due to low enrollment. You will be notified in advance and given the option of transferring enrollment fees toward another class or receiving a full refund for the class(es) cancelled.

Parents wishing to cancel their student's enrollment from a class may do so one week prior to the camp. Enrollment fees will be refunded in the manner that they were paid minus the deposit of \$25. Cancellations received after this deadline will not be eligible for any refund of tuition. Please understand that we have made firm financial commitments to our faculty and staff in addition to purchasing materials.

We understand summer is a busy time for most families, and things may come up that interfere with the class(es) in which you have enrolled. If you discover your child(ren) are unable to attend any of the classes for which they are enrolled, you may transfer them to a different class. Any transfers must be made seven days prior to the first day of the class for which they are enrolled.

Check-In

Registration takes place every Monday morning in the main foyer of the building. All campers must check-in at the registration table at the beginning of each week of camp. Please walk younger students into the building.

Lunch and Snacks

Campers should bring a sack lunch labeled with their name and a drink if they will be staying over lunch. We do not have vending machines on campus. All half-day campers are encouraged to bring a snack and water bottle to camp each day.

Discipline Policy

Appropriate discipline enhances the safety of the children. Every student attending Summer Adventures must follow school procedures and standards of behavior. Consideration of others in thought and action is expected. Summer Adventures reserves the right to require the withdrawal of any student who poses a discipline problem or a disruption to the learning experience. No refunds will be issued for students who are asked to withdraw.

Special Notes

Please make the Summer Adventures Director aware of any specific problems or circumstances that might affect your child's summer experience. Please also provide TCS with a list of individuals approved to pick up your child, as well as their contact information. NO camps will be held the week of June 29-July 3.
