Topeka Collegiate Announces Merit-Based Scholarships

Three-year scholarships available for students transferring into sixth grade

TOPEKA, KANSAS – As the only independent school in the region, Topeka Collegiate announced two new merit-based scholarships available for rising sixth grade students transferring to the school during the 2021-2022 school year. These scholarships range from \$8,000-12,000 per year and will be awarded for up to a three-year period.

Families who transferred to the school during the 2020-2021 school year are also eligible to apply, given the unique nature of their first year at the school.

Families are invited to contact the Admissions Office by July 26, 2021 to be considered for this opportunity. All potential students will be required to participate in a one-hour assessment. Private tours are also available.

“We understand that there are students looking for additional challenge and would benefit from the accelerated curriculum that Topeka Collegiate has been providing for nearly 40 years,” said Dr. Lyn Rantz, Head of School. “Thanks to the generosity of our donors, we’re able to offer these scholarships to any student who is academically ready - regardless of their financial circumstances.”

To learn more about this opportunity, please contact the Admissions Office at 785-228-0490 or by emailing sayhello@topekacollegiate.org.
