Topeka Collegiate
Limitless. Learning. Potential.

JOIN US FOR VISITATION DAY!

OCTOBER 21, 2021

We invite students to visit our campus to experience firsthand what makes Topeka Collegiate special! Any Topeka-area student is welcome!

Each guest will be paired with a current student who will guide them through a typical day full of fun and learning! The length of this visit can be adjusted based on your child's age and availability. A typical visit includes:

- **First & Second Grade:** half-day on campus, in the classroom, at recess and/or attending one resource class (science, art, music, physical education or Spanish)
- **Third through Eighth Grade:** full shadow day on campus, participating in the classroom, attending resource classes, recess and interacting with peers. Lunch included.

If October 21 is not convenient for you, we will do our best to schedule a day that fits your schedule! Guests must pre-register, submit a Visitor's Health Form and follow Eagles360 precautions. Contact the Admissions Office to learn more (information below).

RSVP TODAY!
