

## Math Olympiad #2

The Math Olympiad is a math contest given once a month to students in 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade - November through March. There are 5 questions on each test, or contest, for a total of 25 questions. The second Olympiad was given Tuesday, December 6th. We recognize any student who received a score of 3, 4, or a 5. In the 4<sup>th</sup> grade we recognize students who received a 2, because they are taking the same test as the 5<sup>th</sup> and 6<sup>th</sup> graders.

Students receiving a 2

4<sup>th</sup> Grade:     Remi  
                      Mason  
                      Claire

Students receiving a 3

4<sup>th</sup> Grade:     Kinley  
6<sup>th</sup> Grade:     Siddharth  
                      Drake

Students receiving a 4

5<sup>th</sup> Grade:     Mina  
6<sup>th</sup> Grade:     Kareem
