

Math Olympiad #4

The Math Olympiad is a math contest given once a month to students in 4th, 5th, and 6th grade - November through March. There are 5 questions on each test, or contest, for a total of 25 questions. The fourth Olympiad was given Tuesday, February 7th. We recognize any student who received a score of 3, 4, or a 5. In the 4th grade we recognize students who received a 2, because they are taking the same test as the 5th and 6th graders.

Students receiving a 2

4th Grade: Brianna
 Kinley

Students receiving a 3

4th Grade: Mason
5th Grade: Mina
6th Grade: Sofia
 Tucker
 Wyatt

Students receiving a 4

6th Grade: Owen
 Violet
 Nolan

Students receiving a 5

5th Grade: Praharsha
6th Grade: Siddharth
 Kareem
