Math Olympiad #1

The Math Olympiad is a math contest given once a month to students in 4th, 5th, and 6th grade - November through March. There are 5 questions on each test, or contest, for a total of 25 questions. The first Olympiad was given Tuesday, November 16. We recognize any student who received a score of 3, 4, or a 5. In the 4th grade we recognize students who received a 2, because they are taking the same test as the 5th and 6th graders.

Students receiving a 2

4th Grade:	Falon B.
	Blake C.
	Sarah W.
	Liam W.
	Mina W.

Students receiving a 3

4th Grade:	Rory B.
5th Grade:	Drake G.
	Violet V.B.
	Nolan V.
6th Grade:	Maci A.
	Ivan B.
	Noah H.
	Cooper W.
	Nithya S.

Students receiving a 4

5th Grade:	Owen A.
	Kareem N.
6th Grade:	J. V.D.
	Sedak S.
