Math Olympiad #2

The Math Olympiad is a math contest given once a month to students in 4th, 5th, and 6th grade - November through March. There are 5 questions on each test, or contest, for a total of 25 questions. The second Olympiad was given Tuesday, December 7. We recognize any student who received a score of 3, 4, or a 5. In the 4th grade we recognize students who received a 2, because they are taking the same test as the 5th and 6th graders.

Students receiving a 2

      4th Grade: Harsha A.

                     Rory B.

                     Ashwin N.

                     Mariner S.

                     Sarah W.

                     Liam W.

                     Mina W.

Students receiving a 3

      5th Grade: Owen A.

                     Siddharth D.

                     Drake G.

                     Ethan K.

                     Tucker W.

      6th Grade: Ivan B.

                     Scarlett B.

                     Noah H.

                     Nithya S.

                     Cooper W.

                     Delaney W.

Students receiving a 4

      5th Grade: Kareem N.

      6th Grade: Maci A.

                     Sedak S.
