

## Math Olympiad #2

The Math Olympiad is a math contest given once a month to students in 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grade - November through March. There are 5 questions on each test, or contest, for a total of 25 questions. The second Olympiad was given Tuesday, December 7th. We recognize any student who received a score of 3, 4, or a 5. In the 4<sup>th</sup> grade we recognize students who received a 2, because they are taking the same test as the 5<sup>th</sup> and 6<sup>th</sup> graders.
