

Emerging α Conversations: RAISING ALPHAS

October 22, 2024

We invite all caretakers to join community conversations about the unique demands of raising alpha children, where we can share experiences, explore current research on this generation, and connect with one another. This is a valuable learning opportunity for parents/guardians, and we encourage all families to participate in this discussion.

Discussion facilitated by Marie Pyko, CEO of the Topeka & Shawnee County Public Library and Topeka Collegiate Trustee.

Join **one** of our sessions:

In-Person: 3:45 PM - 4:45 PM

childcare will be provided
